

# YOU KNOW THE SIGNS IMMEDIATELY.

**Now you can get relief immediately too.**

**Our new Virtual UTI Clinic offers convenient, effective, and speedy diagnosis and treatment for UTIs while avoiding crowded waiting rooms:**

- No appointment needed, just walk in to drop off your specimen
- Rapid (dip stick) results available for immediate treatment
- Full urine DNA analysis returned in as little as 6 hours
- Treatment plan established by urologic specialist with expertise in UTIs
- Available to new and existing patients
- New patients please call to verify insurance eligibility
