

YOU KNOW THE SIGNS IMMEDIATELY.

Now you can get relief immediately too.

Our new Virtual UTI Clinic offers convenient, effective, and speedy diagnosis and treatment for UTIs while avoiding crowded waiting rooms:

- No appointment needed, just walk in to drop off your specimen
- Rapid (dip stick) results available for immediate treatment
- Full urine DNA analysis returned in as little as 6 hours
- Treatment plan established by urologic specialist with expertise in UTIs
- Available to new and existing patients
- New patients please call to verify insurance eligibility
